RESUBMISSION OF POSTAL RETURNED NOTICE TO FILE MISSING PARTS
OF NONPROVISIONAL APPLICATION FILED UNDER 37 CFR 1.53(b)

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202
Attn: BOX MISSING PARTS

Sir:

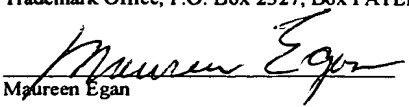

The applicant requests that the enclosed resubmitted documents be considered as timely filed on November 14, 2001 for the following reasons.

Enclosed herewith is the original response returned to the applicant on February 5, 2002 as indicated by the "Received" date stamp on a photocopy of the envelope in which the original documents were mailed on November 14, 2001 to Box Missing Parts, Assistant Commissioner for Patents, Washington, D.C. 20231. The photocopy of the envelope indicates a postal mark of November 14, 2001 and the required postage.

According to security procedures adopted by the applicant after September 11, 2001, selected incoming mail, including mail returned, is delivered to an off-site scanning location. The off-site location performs a radiation and inspection scan of the mail; discards the original envelope and forwards the contents of the envelope with a photocopy of the original envelope. It is apparent that the scanning has changed the color tone of the original documents and legibility of the address labels.
